maximum leaf number
feedback edge set
genus
bandwidth
bisection bandwidth
maximum degree
distance to complete
clique cover number
maximum independent set
domination number
vertex cover
distance to linear forest
feedback vertex set
distance to outerplanar
distance to planar
distance to bipartite
h-index
distance to cluster
distance to interval
distance to chordal
distance to co-cluster
distance to cograph
distance to perfect
treedepth
pathwidth
treewidth
clique-width
acyclic chromatic number
boxicity
degeneracy
chromatic number
chordality
maximum clique
average degree
minimum degree
distance to disconnected
domatic number
diameter
average distance
girth
